## The Solomon Foundation

*“When we started The Solomon Foundation we wanted to have the **best banking and accounting platform** to serve our customers. In DDI we found a customized **system specially made for Church Extension Funds**. And one that is very affordable. But the most important thing we got was a **relationship with DDI** and their **outstanding customer service!**”*

*“We trust the people at DDI to provide **excellent technical expertise** and reliable services. Thanks to DDI, our consultants have **access to information** at any time and from any location. DDI handles the complexities of **rapidly changing technology** so we can focus on our mission and ministries.”*

## WELS Church Extension Fund

*“WELS Church Extension Fund*

*brought on DDI as our servicer in December of 2015 and while no conversion is easy or fun, DDI has been a **stellar partner** in our transition and even more so in **development of specific tools for our Extension Fund**. We are very pleased with our progress and our servicing partner DiscipleData Inc.!”*

*“We use quite a number of the systems and services that DDI offers, in fact we **don’t have information technology staff** - we rely on DDI for that.”*

“When we embarked on the process of selecting a new **software accounting program** and provider, there were two conditions that were critical to us. It was essential to us that we select a company that **understood our business** and the level of support provided. **DDI has exceeded our expectations** on both counts. I would recommend DDI without reservation.”

## Synod of the Pacific (PCUSA)

*“After many years of running stand-alone general ledger software and databases for each of our services, DDI provided us the ability to **integrate all of our services and accounting into one product**. We are now running **more efficiently and in real-time** which **reduces staff hours**, helps **prevent errors** and keeps our churches and organizations up-to-date on their investments, loans, health benefits and mission-giving activity. This enables us to **provide excellent customer service** so that our constituents can focus on their mission and ministries.”*
