BUILDING FOR THE FUTURE
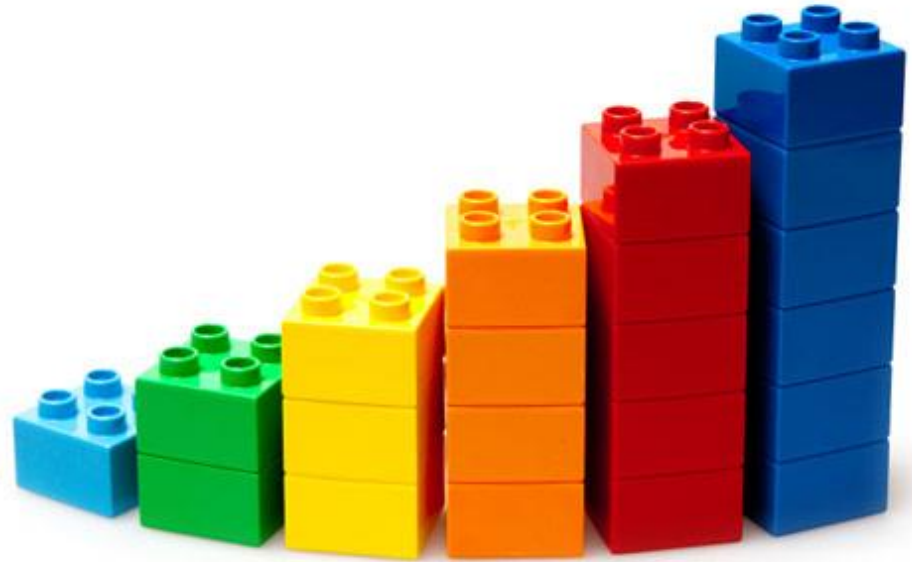

giving your employees the tools to develop and grow

Next Generation of DDI-Connect™

2016 DDI User Group Conference

Next Generation of DDI-Connect™ Demo

The Next Generation of DDI-Connect™ is the biggest and one of the most important projects DDI has taken on.

Next Generation of DDI-Connect™ Goals

- Goals
  - User Designed
  - Contemporary platform and look
  - Same or greater functionality but easier to use and setup
  - Fewer screens & clicks, more efficient
  - Better appeal for all users not just data entry staff
  - Create the <u>best</u> software for church extension funds and faith based non-profits

Next Generation of DDI-Connect™ Facts

- 284 out of 660 hours per week worked at DDI go to the next generation of DDI-Connect™
  - 43% of DDI resources
- 85,185 lines of code have been written thus far
- Rollout starts at the end of 2016

Next Gen Team

- Bob Carlisle, VP of Product Development
- Areca Everage, Project Manager
- John Allen, Lead Programmer Analyst
- Paul Evens, Programmer Analyst
- Johnathan Trick, Programmer Analyst
- Ryan Clough, Programmer Analyst
- Al Gomez, Business Analyst

Mutual Non-Disclosure Agreement

- Only 1 needed on file per organization
- If you received an email from Areca on 5/9, please see her after this meeting to get your NDA filed.
