Month End

Common Month End Tasks

Before Starting Job Processing:

- Call DDI Support to request a backup
- Verify that all items have been approved
- Verify the Business and Process dates
- Verify the correct date codes are selected
- Verify that all jobs in the queue are at a Run status of “yes”
- If there are any errors during Job Processing, call DDI Support immediately
- After job processing, verify that your interest programs have run successfully (IL230 and IL602)

Codes	Program	Run?	Status	Time
WD	dd155.w	yes	Not Submitted	00:00:00
WD	il665pro.r	yes	Not Submitted	00:00:00
WD	fw20m.r	yes	Not Submitted	00:00:00
WD	cw04.r	yes	Not Submitted	00:00:00
WD,ME,...	fw20m.r	yes	Not Submitted	00:00:00
WD	dd157.w	yes	Not Submitted	00:00:00

Year End

Common Year End Tasks

- Setup 1099 boxes in accounts payable*
- Copy chart of account to new fiscal year after any necessary changes to the current chart have been made*
- Add TAXN AI code to churches*
- Call DDI support to get a back up
- Run year end job processing
- Close current period
- Make prior year journal entries, if necessary
- 1099/1098 processing

Don't Forget Your
Year-End Deadlines!

- Publishing to Online CEF
- Common Auditor Reports
- Webinars and Touchbases

Adding PDF/Email Generation

5 Programs to Run – in this order (after you've merged your forms)

1. wp10upd.w – PDF Batch Approval
2. wp13pro.r – PDF Generation Processing
3. wp12rpt.r – PDF Generation Report (optional)
4. na48pro.r – Email Generation Processing
5. na49rpt.r – Email Statistical Report

Adding PDF/Email Generation

Step #1: PDF Batch Approval

The screenshot shows the 'DDI Demo for Church Extension Funds' application. The left sidebar contains a 'Main Menu' with various options, including 'PDF Batch Approval' which is highlighted. The main window title is 'PDF Generation Approval'. The toolbar includes buttons for 'Approve', 'Deny', 'Pending', 'Split', 'Regenerate', 'Save', 'Undo', and 'Exit'. The 'Approve' button is highlighted with a red box. Below the toolbar, there are search filters for 'Date range' (08/31/2015 thru 08/31/2015), 'Batch', 'User', and 'Status' (set to PENDING). A 'Search' button is present. Below the filters is a table with the following data:

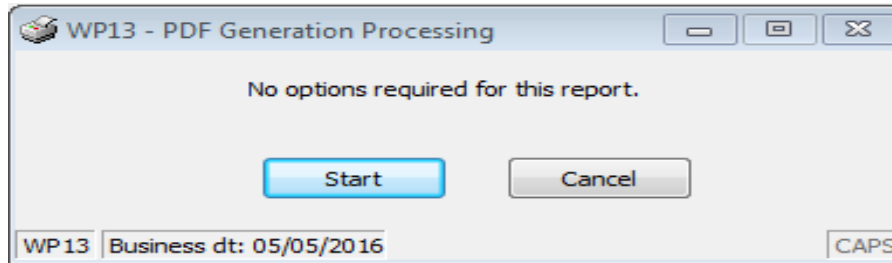

Batch	Date	Description	Form Codes	Count	Current Status	New Status
31634	08/31/2015	Maturity Ext Notice: 08/31/...	MEN	198	Pending	
31635	08/31/2015	Loan Late Fee Letters for B...	LPD3	85	Pending	

Adding PDF/Email Generation

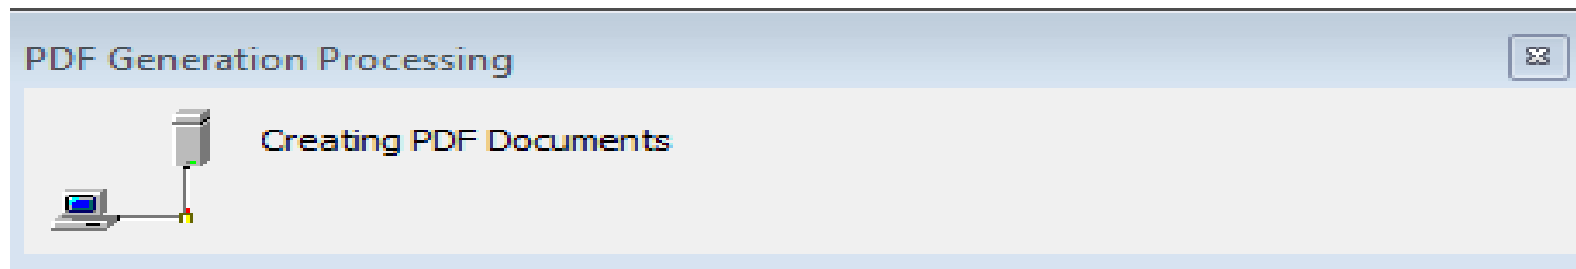

Step # 2: PDF Generation Processing

1. Merge Forms System → Administrative Tasks → PDF Generation Processing
2. Click Start on the screen.

3. The PDF Generation Processing screen begin. This screen will go away when the process is complete.

Adding PDF/Email Generation

Step # 3: PDF Generation Report

Adding PDF/Email Generation

Automate the Process

All of the previous steps can be added to your job processing so that you do not have to do them manually. This does require a programming changes and the estimated billable time is between 2 and 4 hours. Please contact DDI Support if you are interested in automating this process.

Auditor Reports

Common Investment Reports for Auditors

- IL251 – Investment Balance by Reporting Entity
 - Displays investment balance info based on the tax reporting PIN associated with the account
- IL310 – Investment Master Report
 - Can be exported to .CSV
- IL318 – Investment Registration Payee Report
 - Subtotals investment principal, accrued interest and interest earned to date as of the date entered in parameters
- IL351 – Investors by Investment Size and Age
 - Locates investments and breaks down information by total principal balance and age of the investor

Auditor Reports

Common Loan Reports for Auditors

- IL325 – Loan Detail Report by Type
 - Provides loan summary information, sorted by loan type or region
- IL426 – Loan Analysis Report
 - Displays current loan information based on loan type, status, GL account, maturity date and interest rate criteria
- IL443 – Future Loan Collection Estimation Report
 - Estimates the amount of principal and interest expected to be collected through a specified year
