DiscipleData appreciates the opportunity to serve First Christian Church through the above loans. We want to remain current with your congregation. In this regard and in keeping with the terms of your Church Extension loan, we would like to receive your most recent annual financial statements and your current congregational information.

If an independent audit has been done, we would like to receive a copy of that report. If not, then a copy of your unaudited statements or other financial records that you provide to your governing board will be sufficient. These reports should summarize your current financial status, including a Balance Sheet and Income and Expense Statement. In addition, we would like to receive current information about average worship attendance, participating membership and number of giving units.

Your current information expires on: 03/26/2013

Thank you for your assistance in this matter and please let us know if we can be of further service.

Sincerely,

Jane Doe
Executive Assistant for Congregational Loan Services
